TRIAL UNNECESSARY.

A satisfactory settlement of their differences before a judicial hearing was effected Wednesday morning in Magistrate G. H. Blood Poison On The Run

Remarkable Remedy That Drives Every Particle of Poison Completely Out of Your Entire System.

It is simply astonishing the way contagious germs scatter and leave your blood clean and pure.

Poison in the blood used to break out into the most unsightly sores, boils, abscesses and ulcers, but since the introduction of S. S. S. there is no more trouble. And even if it is only a slight attack it would eventually mean loss of hair, loose teeth, sore gums, mucous patches, copper spots and the most intense degree of agony, if S. S. S. were not used. Of course some cases of Contagious Blood Poison do not exhibit the extreme superficial effect but the trouble is they are apt to do so in just a day. The eyesight fades, the hair falls out, the bones become ulcerated, a thousand and one fierce, unsightly symptoms ensue and then there can be no question as to the nature of the disease.

It is very unfortunate that so many sufferers lose all nerve, all self control,

and the first thing they do is to throw themselves into the clutches of those who take all their money, fill their veins and arteries with Mercury, Iodine or Potash, Arsenic or other mineral poisons and practically wreck their lives. S. S. S. will give your blood a complete bath, purify it, overcome the danger done by mineral drugs, soothe and strengthen your stomach and in every way restore you completely. Your blood will be rich, red and pure and will stand the most rigid blood test. Get a bottle of S. S. S. at any drug store and begin to cure yourself at once. For a book on Blood Poison or for private advice, write to the Medical Dept., The Swift Specific Co., 145 Swift Bldg., Atlanta, Ga. This is one of the greatest private laboratories in the world.

Recovered From Severe Lung Trouble

While we all know that plenty of fresh air and good food are necessary to persons suffering from lung trouble, something more is needed to bring about full health. Eckman's Alternative is a powerful throat and lung tonic, and so many reports have been received showing that it brought about good results in a number of cases which were declared hopeless, that all sufferers who are not beset by other ills, should, at least investigate what it has done for others. It may be the means of restoring you to health. Investigate this case:

Madison Lake, Minn. "Gentlemen: In December, 1908, and March, 1909, I was taken with hemorrhages of the lungs, which continued several weeks each time to my bed. These left me very weak and caused a loss of sleep and could not sleep. My appetite also failed me. My doctor advised me to go West. So, in September, 1910, I planned to go but I had four more hemorrhages, which put me in bed for three weeks. In November I started for Denver, Co. After my arrival, I met Michael Brady, who, upon learning of my condition, urged me to take Eckman's Alternative. In about two months, I began to feel better. I kept on taking the medicine and improved. In March, 1911, I returned home. I think I am entirely well, have a good appetite and sleep well. When I left Denver my weight was 120 pounds. Now weigh 160 lbs. normal weight. I thank God and you, Alternative for my health. If I can help any other person suffering from Tuberculosis, I will gladly do so." (Signed affidavit) PAUL L. FARNACHT.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Trouble, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman's Laboratory, Philadelphia, Pa. for more evidence. For sale by all leading druggists.

HOW TO TREAT AILING CHILDREN

Growing children play hard and work hard at school, which with rapid growth uses up an enormous amount of energy and vitality that must be replaced.

When a child is tired all the time, no appetite, weak, delicate and sickly, we guarantee Vinol, our delicious cod liver and iron tonic, will build them up, create a hearty appetite, sound flesh and muscle tissue, pure healthy blood, and make them strong.

Mary Lang, of Altoona, Pa., writes: "Ever since childhood I have been weak and delicate and my blood has been thin and poor. Many different forms of treatment did me no good, but last spring I took Vinol and now I am so much stronger and better that I want you to know it. I don't know when I have felt so well and vigorous as I have since taking Vinol."

Dr. Hartman's Plain Talk to Young Men

My plain talk to young men in my last article certainly brought me many responses from young men. I take this means of answering them briefly, for the benefit of other young men who did not write me. One writer says:

"I was greatly interested in your talk to young men. I wish I was strong and well as you describe yourself to be. I am going to begin at once and follow your advice and take care of myself as I ought to. I will quit the use of all stimulants, tea and coffee, go to bed early. I will take the cold water towel bath every morning. I want to live to be old and useful, like you. And I shall also keep Perna at hand, in case of slight ailments as they may arise. I thank you in the name of thousands of other young men, like myself."

To this letter I replied:

My dear Boy—I cannot tell you how much good your letter has done me. To know that I am arousing the young men in matters of right living fills me with gratitude and enthusiasm. I want to help you. Write me any time you wish and I will consider your letter strictly confidential and give you prompt reply. Follow the advice I gave in my article. Whenever you have occasion to consult me further do not hesitate. Let us be friends. If you will be obedient to me as a son ought to be I will be faithful and true to you as a father ought to be. Yours Sincerely, Dr. H. Hartman, M. D., Columbus, Ohio. PERUNA IS FOR SALE AT ALL DRUG STORES.

SPECIAL NOTICE—Many persons are making inquiries for the old-time Peruna. To such would say this formula is now put out under the name of E. A. CARNO, manufactured by E. A. CARNO COMPANY, Columbus, Ohio. Write them and they will be pleased to send you a free booklet.
